

## ***The 2022 Birthday Project***

Every year we are planning something special for Louis' birthday, which is on February 20th. Here's how you can participate:

Download and print this .pdf and decorate one or more shirts however you wish, or use the blank outline to color your own - use pens, pencils, paint, stickers, sticky gems, small craft items, or you can knit, sew or crochet one yourself! The sky's the limit! Please stay roughly within the dimensions of the paper shirts: 3 inches by 3 inches/ 7.5 cm by 7.5 cm. If your paper size doesn't match just scale the images up or down as needed.

**Be sure to sign each shirt** so Louis knows who made it for him.
